EMMA BELL

A British-born, USA based, contemporary artist whose work captures the ephemeral beauty of nature through a vibrant and expressive visual language. Inspired by florals and coastal landscapes, her paintings blend abstraction and form, balancing spontaneity with structure. Employing layered applications of acrylic, oil pastel, charcoal, and graphite, she creates richly textured compositions that convey both movement and delicacy and her distinctive use of colour and gestural mark-making evoke a sense of harmony and vitality, inviting the viewer to engage with the transient elegance of the natural world.
