Art Resales - NEW WEB PAGE

We've added a single page, image-based, summary guide of every secondary market artwork that's currently available from Oil Art Advisory. It provides a quick visual overview all the pieces we're reselling on behalf of clients and *we authenticate each and every artwork prior to offering it for resale on our platforms.*

We currently have some real standout pieces, including a highly collectable, early career, original painting, by the Hollywood actress **Sharon Stone**; an original self-portrait by the Turkish artist **Alia Pinar Du Pre**; a fantastic **Nicole Etienne** triptych, featuring koi carp, painted in charcoal and oils, on linen; and three wonderful original paintings by the Royal Institute of Oil Painters member, **Michael John Ashcroft**. Plus, we have two delightful sculptures by the British sculptor, **Ernest Bottomley**, both cast in aluminium, and of course, the two **Marco Grassi**, abstract, figurative originals, featured above.

All of our current art resales can be found at <https://oilartadvisory.com/art-resales>.
