

Just arrived - we have five new art vases by the Italian ceramicist, Pietro Sanna - all handmade and decorated with 24K gold detailing. Prices start from just £395, so there's never been a better time to buy one. Plus, we also debut US-based artist, Emma Bell's beautiful, abstract, floral paintings, which are new to our portfolio.

Finally, a highlight of the Irish sculptor, James Horan and his underwater series of cast bronzes; a sneak preview of the new Simon Quinn oil painting - due imminently, plus we'll have one of Hollywood actress, Sharon Stone's early original paintings, available for viewing throughout December.
